

September 2019

Dear Members:

Labor Day ushered in the unofficial end of Summer and the beginning of our 2019 – 2020 season.

We had good turnout and wonderful demonstrations by Ikenobo, Ohara, Sangetsu, and Sogetsu at our September meeting. I hope that you all enjoyed the demonstrations as much as I did!

Our special thanks goes to Katey Ho, who spent a great deal of time writing emails back and forth to instructors to ensure the success of our first event of the year. And a big applause to all of the instructors for their beautiful artistic compositions which highlighted our event.

This year we are working diligently on our programs. We welcome your feedback, ideas and suggestions to make our programs even better. Thank you for your support and I look forward to your participation in our upcoming events and activities.

Attached to this Newsletter is our updated calendar of events through June 30, 2020. Further details for all events will be provided as they become available.

Our next meeting and workshop will take place on October 20, 2019. Non-members are also welcome to attend. Please register for the workshop by completing and sending in the attached registration form **no later than October 15, 2019.**

Again, we are looking forward to seeing as many of you as possible at every meeting and workshop, as well as at the New Year luncheon, our March exhibition, and our April Field Trip.
